

This map is indicative only and not drawn to scale.

The white line opposite indicates the area where an agreement has been reached between the Traditional Owners and the Northern Territory Government to allow fishing access to tidal waters over Aboriginal land in the Minimini / Murgemella region (including Cooper Creek) between Garig Gunak Barlu (Cobourg) and Kakadu National Parks.

Mary River closed season applies below Shady Camp barrage from Oct 31 to Jan 31.

SEE SATELLITE IMAGE ON OPPOSITE

This area is subject to large tidal movement
